Tribute to PIL's Seafarers

On this day, 25 June 2022, is the Day of the Seafarer designated by the International Maritime Organisation (IMO). With this year's campaign theme being 'Your voyage – then and now, share your journey', PIL wishes to thank our seafarers, for being with us, braving and riding through waves and storms, allowing the company to fulfil its mission as a container shipping line ranked 12th in the world.

We wish to share with you a video by the crew of Kota Lagu. Enjoy!
