## **PIL wishes International Drop in Centre in Singapore Happy 3rd Anniversary!**

PIL is proud to join in the celebrations which took place at PSA Pasir Panjang PPTB5 on 25 June 2022, to mark the Day of Seafarers as well as to celebrate the 3rd anniversary of the International Drop in Centre for seafarers managed by The Mission to Seafarers Singapore.

PIL's three cadets from Kota Lembah were privileged to be present to receive goodie bags on behalf of the crew, from the Maritime and Port Authority of Singapore (MPA) and The Mission to Seafarers Singapore.

On behalf of all PIL's seafarers, we wish to thank The Mission to Seafarers Singapore for its commitment and dedication to improving the welfare and wellbeing of seafarers in Singapore.
