PIL participates to set up the Alliance for Future Maritime Talent (AFMT).

Looking ahead to ensure Singapore's maritime workforce is equipped with new future skills as the industry transforms, PIL is honoured to partner the Maritime and Port Authority of Singapore, the Singapore Maritime Foundation, Pacific Carriers Limited and American Bureau of Shipping to set up the Alliance for Future Maritime Talent (AFMT).

Announced by Mr S Iswaran, Singapore's Minister for Transport and Minister-in-charge of Trade Relations at the Singapore Shipping Association (SSA)'s 37th Anniversary Gala Dinner on Friday, 23 September 2022, the AFMT aims to strengthen the competitiveness of Singapore's maritime talent, positioning Singapore in a favourable position as the maritime industry evolves.

Mr Lars Kastrup, Chief Executive Officer, PIL said, "PIL is truly privileged to become a founding member of AFMT, which is a good initiative for Singapore. To us, AFMT is an important and timely platform for the key stakeholders of Maritime Singapore to work together in a coordinated way to strengthen the maritime talent pool. The AFMT development is also aligned with our ongoing plan in PIL to adopt a more structured approach to meet the diverse needs for training and development with the aim of inculcating a continuous learning mindset into our shore staff and seafarers which would propel PIL forward as a future ready organization."
