## ***Marking Ramadan – donating IFTAR meals to the needy***

To mark the month of Ramadan, PIL teams in Bangladesh, Jordan and UAE showed their care and concern for their communities by contributing IFTAR meals, or break fast meals, to needy children, families and other individuals in their respective countries.

In Bangladesh, about 150 food packets were donated by PIL Bangladesh to the children of the Baitush Saraf Jabbria Orphanage in Dewanhat, Chittagong in early April.

Over in Jordan, children at the Madaba Charity Association for Orphans welcomed the delicious IFTAR meals which PIL Jordan colleagues brought for them. Some colleagues also helped to distribute IFTAR meals to a number of needy families.

In UAE, PIL responded to a call by the UAE government in support of a country-wide IFTAR meals donation drive, and it subsequently coordinated the donation and distribution of 200 packets of meals to needy workers at the Jaddaf Labour Camp. The camp provides refuge to around 300 out-of-work workers.

In all, close to 400 orphans and needy individuals across the three locations received the warmth and care from PIL teams during the fasting month of Ramadan, which exemplify well the people focus of PIL.
