## International Day for Women in Maritime!!

PIL treated all its lady colleagues in Singapore and overseas, on shore and at sea, to desserts today 18 May 2023, to mark the International Day for Women in Maritime. It was all smiles as the ladies enjoyed their sweet treats. Mr SS Teo, Executive Chairman, PIL took the opportunity of his visit to Kenya to have lunch with PIL's lady colleagues at the Nairobi office. Mr Lars Kastrop, CEO, PIL, also sent out a positive message to all in PIL on its commitment to diversity and inclusion, and to encourage women to be the best that they can be. It was a good day for women at PIL.
