PIL wins PSA Futsal League Championship 2023

It was all cheers in Singapore as the PIL Futsal Team, comprising 15 colleagues, brought back the Championship Cup at the Finals of the PSA 5-A-Side Futsal League held on 25 May 2023 at the new PSA Alongside Futsal Court in Singapore.

PIL's Executive Chairman, Mr S.S. Teo, PIL's CEO Mr Lars Kastrup, and many colleagues attended the games at the Semi-Finals and Finals to support the PIL team.

The league started on 23 March 2023, and a total of nine teams from PSA and eight shipping lines participated in the league. As a key Singapore shipping line, PIL sent a team to participate to show its support to the port and shipping community in Singapore. Winning was not the starting objective, and being able to win indeed brought a lot of pride to the team and colleagues.

PIL would like to thank PSA for organising the league, and to its Managing Director Mr Nelson Quek for presenting the trophies to the PIL team members. Special thanks also goes to all the other teams in the league for playing a good game.

Three cheers for the PIL Futsal Team!
