PIL China gives back to the community

Beyond giving our best services to our customers, we also give back to the communities where we operate in! Recently, our teams from PIL China took the initiative to make a difference to their local communities.

In line with World Book Day that occurred in April, our PIL China teams in Shenzhen, Xiamen, and Nanjing organised a book donation drive for children living in rural areas. Thanks to the teams' overwhelming and enthusiastic response, they have donated nearly 500 books ranging from literary works to science books to these underprivileged kids. We hope that these books can inspire the kids to develop a love of reading, fuel their curiosity for knowledge, and broaden their horizons!

Next up, our team in Tianjin celebrated Dragon Boat Festival with the elderly at a local old folks' home. Bringing over fresh fruits and rice dumplings traditionally eaten during this time, the team befriended the seniors by chatting and singing with them, as well as helping them take photos for their keepsake!

PIL will continue our community engagement efforts around the world as a
