PIL awards PIL-SgIS and PIL-Maritime ONE scholarships

PIL is pleased to award the PIL-MaritimeONE Scholarship to Zheng Yuchen and Toh Sin Ee, as well as the PIL-Singapore-Industry Scholarship (SgIS) to Sherman Goh!

Through these scholarships, PIL aims to help our scholars build their maritime career right from the start of their academic days by widening their networks and exposure. Upon graduation, our scholars will be enrolled into our Management Associate programme where they can look forward to exciting work attachments and comprehensive career development schemes. These young talents will be completing their studies at the [National University of Singapore](#) and [Nanyang Technological University Singapore](#) respectively before joining us.

The PIL-SgIS Scholarship is offered in partnership with [Ministry of Education, Singapore \(MOE\)](#) while the PIL-MaritimeONE Scholarship is offered in partnership with [Singapore Maritime Foundation \(SMF\)](#).

As Singapore's largest home-grown shipping line, PIL recognises the importance of grooming the next generation talents and leaders to reaffirm Singapore's status as an international maritime centre. We are thrilled to be able to shape their learning and career as they embark on their journey with the maritime industry. Congratulations to all awardees!
