General Manager of PIL Fleet Goh Chung Hun was invited to be a panelist in Marine Fuels 360 Conference

1 December 2023

💡🗨 At the recent Marine Fuels 360 Conference organised by [Informa Markets - Maritime & Energy Group, Singapore](#), General Manager of PIL Fleet Goh Chung Hun was invited to be a panelist to discuss about unifying technical and operational compatibility of fuel options.

🚢 As part of our commitment to reduce our greenhouse gas emissions, PIL has ordered eight LNG dual-fueled container ships, and we will be taking delivery of our first such vessel next year!

📖 Check out this article to find out what Chung Hun has to say about ensuring our crew be well-trained in operating such vessels, so that we can continue to drive connectivity for our customers in a sustainable manner!
