"One Gift, One Smile" continues across Africa and the Middle East in 2023

10 January 2023

📺 'Tis the season of giving! Encouraged by the success of our "One Gift, One Smile" charity campaign in 2022, the various PIL teams across Africa and the Middle East have once again embarked on this meaningful activity in 2023. This time round, the initiative was expanded from 4 countries to 11 countries in the region!

🌐 In December 2023, our colleagues from Djibouti, Egypt, Iraq, Jordan, Kenya, Madagascar, Mauritius, Mozambique, Somaliland, Tanzania, and the UAE brought joy and spread the festive cheer to their local communities. From donating toys, clothes, educational materials and daily essentials, to interacting with underprivileged children and making improvements to their living and learning environments, our teams aim to uplift communities where PIL operate in and to put a smile on as many faces as they can.

💖🌐 Beyond "Driving Connectivity" for our customers, PIL is also committed to "Driving Connectivity" for the needy and empowering them towards a better future. Putting on a Future-Focused lens, we hope our teams' contributions can create a positive impact and make the world a better place for future generations.
