PIL Vietnam warming the hearts of the community

15 January 2023

💖💖 Last month, our colleagues from PIL Vietnam embarked on a charity initiative together with the Ho Chi Minh City Red Cross Society to reach out to the Dak La commune in the province of Kon Tum, a remote highland area in central Vietnam.

📢📢 As part of this initiative, PIL Vietnam sponsored wool hats and scarves for over 1,000 needy children and elderly in the area to keep them physically warm, which also warmed their hearts during this winter season. Besides donating warm clothing, our colleagues also delivered essential food items to the community, organised a free medical examination for the residents, and planned a fun-filled day of games and musical performances for the people of Dak La to enjoy. 😊👶

👏📺 Kudos to our PIL Vietnam colleagues for creating a positive impact to their local community. Besides "Driving Connectivity" for our customers, PIL is also "Driving Connectivity" for the needy with our initiatives to empower and uplift them. By putting on a Future-Focused lens, we can make the world a better place for the future generations!
