## PIL China receives accolades for service excellence

19 January 2023

🏆🏆 PIL is honoured to receive two accolades from our partners in China recently!

👍📄 Firstly, our team in Shenzhen received the "Best Delivery Award" from [ZTE Corporation](#) at their annual Global Partners Day held in November last year. Over the past 10 years, our partnership with ZTE involves timely shipments of their products to Africa, Middle East, India, Latin America, and South Pacific Islands. We are honoured this is the second consecutive year that PIL Shenzhen has received this award.

🏠📦 Next, PIL Xiamen received the "Outstanding Contribution Award" from Xiamen Container Terminal Group at a celebratory ceremony last month to mark the Group's 10th anniversary. This Award recognises PIL's contribution to the throughput of Xiamen Port in the past decade. Over the years, PIL has collaborated with the Group on port handling services and launching ship routes to RCEP countries.

🌐👤 These awards are testament of how PIL is "People-Centric" in going the extra mile to provide better solutions for our customers and partners! We will continue to work closely with all our stakeholders as part of our steadfast commitment of "Driving Connectivity" for the world!
