## Happy 57th Birthday, PIL!

16 Mar 2024

📅🎂 [#OnThisDay](#) in 1967, Pacific International Lines (PIL) was officially incorporated! From our humble beginnings operating just two vessels, PIL has grown to become a global carrier with a fleet of around 100 container vessels, serving customers at over 500 locations in more than 90 countries. Apart from our core liner shipping business, we now also have other business units such as container manufacturing, depot and logistics services. 🏭🌐

🤝💖 Our success story could not have been possible without the steadfast support from all our customers, partners and stakeholders, as well as the unwavering dedication from all our colleagues, on shore and at sea, past and present.

🎉🎊 As we celebrate our 57th anniversary today - 16 March 2024 - we would like to say a big THANK YOU to every one of you for believing, trusting, and persevering with us. With your confidence and commitment, PIL will be able to continue our focus of "Driving Connectivity" for the world and strive towards being an efficient, sustainable and future ready shipping line!

🍰🎂 Happy 57th Birthday, PIL!
