## Another win for PIL China

28 Mar 2024

🏆🇨🇳 PIL China has once again been awarded for their service excellence! On 19 March at an event organised by 山东港口 (SPG), PIL China was one of the awardees to be conferred "Best Potential Partner of SPG's Northeast Asia International Transshipment Hub" for the year 2023! This is the team's second consecutive win since 2022.

🚢🤝 Our relationship with SPG in the Port of Qingdao goes a long way. PIL has been actively supporting the Port's vision in developing itself as a leading maritime centre and transshipment hub in Northeast Asia, through various partnerships in areas of transshipment, intermodal solutions, and shipping agency business.

🤝🌐 Not resting on our laurels, PIL will continue working closely and "Pushing Boundaries" with SPG, so as to deliver "People-Centric" solutions to meet the needs of the Port of Qingdao!
