## Leveraging MatchBox Exchange - Container Logistics' platform

1 Apr 2024

🔄🚚 Leveraging MatchBox Exchange - Container Logistics' platform, PIL customers in India can now triangulate import containers for export and eliminate unnecessary trips to transport empty containers to and from depots. Customers can look forward to improve their turnaround times and minimise their environmental footprint!

🤝🌍🚚 At PIL, we are taking action to strive towards achieving net zero by 2050. Through the expansion of our partnership with MatchBox Exchange, we are also empowering our customers to drive a sustainable future by making greener logistics choices!
