Opening of PIL (RWANDA) Limited

22 Apr 2024

🌐🗺️ On 5 April, PIL officially opened our first branch office in Rwanda, with PIL (RWANDA) Limited being appointed as our agent in the country! To mark this momentous occasion, our colleagues in Rwanda organised an opening ceremony at their new office located in the capital city of Kigali.

🚢🌐 Our first foray into this Central African nation demonstrates PIL's commitment of "Driving Connectivity" for the world. Customers can look forward to benefitting from an expanded PIL network, including intermodal solutions into Rwanda, with our newly-established presence in the country.

👤👤 The team in PIL (RWANDA) Limited is led by PIL Head of Kenya-Uganda-Rwanda Cluster Ross Wang, and Branch Manager Ms. Jennifer Umurerwa. Together with them, the team aims to deliver service excellence to meet our customers' shipping needs, and strives to go the extra mile to provide better solutions for them!
